A CONSERVATION OF NATURAL RESOURCES

Revised 1944 for Distribution in Cooperation with the
California Conservation Council

This list of References selected for general value and special interest to Californians has been revised by the San Francisco Branch of the U. S. Department of Agriculture Library. The books and pamphlets unfold a startling story of tremendous interest and importance to California, the United States and the world.

You may secure a copy of this Bibliography from -- U. S. Forest Service, 760 Market St., San Francisco 2; U. S. Conservation Service, 2168 Shattuck Ave., Berkeley 4; Agricultural Adjustment Administration, 2288 Fulton St., Berkeley 1; Agricultural Extension Service, 108 Giannini Hall, Berkeley 4; or, California Conservation Council, 209 East Canon Perdido, Santa Barbara, California.

Starred (*) items may be obtained free from the Regional and Forest headquarters of the Forest Service or the State and District Offices of the Soil Conservation Service. Other items are obtainable only from the publishers, and at the prices indicated. Most of the items will be found at your local public library.

No free publications listed are available for quantity distribution.

CONSERVATION - GENERAL

Butler, Ovid M., ed. AMERICAN CONSERVATION IN PICTURE AND STORY. Rev.ed. 160 p. Washington, D.C., American Forestry Association, 1941. \$2.50.
